## NORTH COUNTRY SMOKEHOUSE

### APPLEWOOD SMOKED UNCURED BACON

Our Applewood bacon starts as a pork belly that is carefully selected from our very own family-farms, and hand-trimmed by our butchers to exacting specifications. All-natural, antibiotic-free with no added growth hormones, nitrates, or nitrites, we marinate the pork bellies using maple syrup from a nearby sugarmaker. The brine is blended with thoughtfully chosen spices to impart a subtle sweetness, then the bellies are smoked low & slow to impart a rich flavor that is nothing less than extraordinary.
