## ORGANIC OVEN ROASTED DELI TURKEY

Oven Roasted Turkey Breast is the perfect addition to your deli case. The turkey is marinated in an old-fashioned brine to enhance the meat's natural sweetness, before being cooked low and slow in small batches. Slices are cut from plump, broad-breasted turkeys, perfect for piling them high on sandwiches or salads. This variety is free from GMO's, antibiotics, added growth hormones, nitrates, nitrites, and animal byproducts.
