# NORTH COUNTRY SMOKEHOUSE

## UNCURED APPLEWOOD SMOKED BONELESS TURKEY BREAST

Our plump, broad-breasted turkey is marinated and smoked low & slow over Applewood embers, to enhance the meat's natural sweetness. The result is a rich tasting, flavorful bird whose succulent white meat mimics the richness of darker pieces. This fully cooked turkey can be enjoyed all year round without spending hours in the kitchen. Pile it high on sandwiches and Panini, or top off a hearty salad. Free from antibiotics, added growth hormones, nitrates, and nitrites, this poultry is vegetarian-fed with no animal byproducts.
