NORTH COUNTRY SMOKEHOUSE

REDUCED SODIUM, ORGANIC APPLEWOOD SMOKED UNCURED BACON

Over the years, we've had customers ask for robust, smoky bacon that's made without some of the ingredients found in traditionally cured recipes. This farmhouse-style, organic bacon is marinated in real maple syrup and smoked for hours over applewood embers, creating the signature flavor our bacon is famous for with less sodium than our traditional recipe. The pork bellies are sourced from our very own farms.
